Corrigendum

Transmitted by the Government of Germany*, **

1. **Paragraph 4**

Add the following sentence at the beginning: "The period of validity of the basic training certificate shall be five years as from the date of the examination."

2. **Paragraph 10**

Add the following sentence at the beginning: "Express information concerning the period of validity is missing. Currently, this can only be inferred indirectly from 8.2.1.4, which refers to renewal after five years."

3. **Paragraph 14**

Delete the first sentence: "The word 'first' that comes before 'issue' may be deleted, because a new issue of a certificate after five years involves renewal, which is clear."
